**TO WHOM THIS MAY CONCERN**

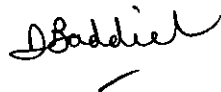

Mr Leonard Carr is personally known to me as one of the few marriage guidance counsellors whose professional work is completely in harmony with Torah.

His methods are solidly based on Torah values and through his work he is a strong advocate of the sanctity of Jewish marriage in all its dignity and greatness. His counselling is always with empathy and feeling, with understanding and consideration, never in a pressing or over-bearing way.

In addition to being the son-in-law of the renowned Rosh Yeshiva, the late Rabbi Azriel Goldfein, of blessed memory, he is a Torah personality in his own right and much respected in the Yeshiva world of today as well as a person who has considerable secular knowledge. His clever insights, delivered with wit and wisdom, are most welcome in today's world.

It is my pleasure to recommend Mr Carr to all those in the Torah world, who wish to avail themselves of his wisdom and experience, to be enriched and enlightened with Torah values in this important field.

Yours Faithfully,

D. Baddiel
